

Manila, Philippines is home to over 3 million displaced families living on a day-to-day survival basis in tiny squatter houses with little or no money or food.

Small Businesses:

We seek to provide relief to these families by helping them start a livelihood business. With your help we can start a hairdressing, manicure or small snacks business for as little as \$50. \$125 starts a sewing business including purchasing a treddle/electric sewing machine & fabric.

Shipping items: We accept donations of good quality summer clothing, laptops, small electronics, phones, craft, fabric, toys, items that can be used for small businesses such as nail polish, tools, small kitchenware etc.

Please consider being part of the solution for transforming lives by donating to our ministry. Donations can be made to our Westpac account for The Ripple Effect Development Association, BSB: 036011 Account: 530976
